## FINDING FREEDOM IN THE TIGHT PLACES

“Out of my distress I called on the Lord; the Lord answered me and set me free.”  
— Psalm 118:5

There are moments when life hurts so deeply it feels like the air has left the room. The sorrow is heavy, the pressure unrelenting, and hope seems distant. Sometimes the pain comes from **grief, betrayal, or shame**. Other times it's the silent battles no one knows you're fighting.

In these tight, suffocating spaces, it's easy to believe there's no way out. But the scripture reminds us that God doesn't just offer comfort—He brings deliverance. And His **deliverance is liberating**.

He lifts us from the pit not to return us to survival mode, but to **breathe new life** into us. He breaks strongholds, restores dignity, and revives purpose. When God sets you free, He leads you into a **spacious place**—emotionally, spiritually, and mentally—where you are no longer defined by your past or braced for pain.

This freedom is **soul-deep**. It transforms how you live, speak, worship, and love. Because once you've been truly set free, **you don't walk the same**.

### Prayer

**God of mercy and power**, Thank You for meeting me in the middle of my brokenness. You're not intimidated by my pain or silence. You come close, break every chain, and lead me into freedom. Heal and deliver what I've tried to hide, and transform me from the inside out. May my life be a testimony of Your deliverance. In Jesus' name, Amen.

## DIVINE HIGHLIGHTS

### DIVINE ENCOUNTERS: WHEN GOD MEETS US IN UNEXPECTED PLACES

I recently had the joy of attending a conference to share *Kneeling at the Throne*. It was a beautiful time of connection, conversation, and watching God move—often in the most unexpected ways.

As I packaged books and greeted guests, a young woman came to the table. There was something so sincere about her spirit—so full of quiet strength and the heart of a true worshiper. As we spoke, another intercessor and I felt led to pray with her. What started as a simple exchange became a throne moment.

During the conference hustle and bustle, Heaven met her. **Her** worship shifted the atmosphere. God invited her into a throne-room experience. His presence wrapped around her like a **mantle**.

It was a beautiful reminder of what *Kneeling at the Throne* is all about—making **space** for the **King**, wherever we are. When we invite Him in, He lovingly shows up, ready to meet us at the point of our need.
